BIH Berlin Institute of Health @ Charité

CLIC

supported by biolabs

Rahel Hirsch Center for Translational Medicine
Luisenstraße 65, Berlin 10117

Building Community in Precision Medicine

The CLIC Incubator is a new launchpad for early-stage ventures at the intersection of science, medicine, and entrepreneurship. Backed by the Berlin Institute of Health (BIH) and supported by BioLabs, CLIC offers a unique environment where innovation moves confidently from bench to bedside.

Why CLIC?

Designed for Clinical Readiness
Early input from BIH and medical experts

End-to-End Support
Labs, mentorship, regulatory & venture strategy

Unmatched Ecosystem Access
Berlin's healthtech hub + global BioLabs network

Built for Collaboration
Founder-driven community + high-impact ecosystem

Ready to translate your innovation?
