## Business model plan, canvas and other tools

Frans Nauta

6 September 2023 | 4 – 5 pm (CET) | Online Webinar

**You have a business idea and are thinking of the best way to present your business idea?**

You can choose between the Business Plan, Business Model Canvas or other tools. However, which of these formats is the best option for developing and presenting a business idea?

In this **Online Educational Forum Lecture "Business model plan, canvas and other tools"**, **Frans Nauta**, Program director of Faculty of Impact, will introduce different tools for developing and presenting key elements of your business idea.

After the online lecture you will understand

- the characteristics of a Business Model Plan, Business Model Canvas and other tools
- when to use the different tools along the stages of business development
- common mistakes to avoid when using these tools

**Online via MS Teams | Please register [here!](#)**

Registration to the webinar is required in advance. Please register no later than **5 September 2023**. Please note that you will receive the MS-Teams link and access code the evening before the lecture and that access to last minute registrations, cannot be guaranteed.
